About IITM

IITM Group of Institutions was formed under Mata Leelawati Shikshan Sansthan. IITM Group is represented by Institute of Information Technology and Management & Institute of Innovation in Technology and Management. The Institute of Information Technology and Management was founded in 1999 and has been awarded highest **Category ‘A’** grading by DHE, Govt of NCT of Delhi. The Institute is an active member of **AIMA, PHD Chambers, NHRDN, DELNET, CSI** and has **Students and Faculty Chapter of ISTE**. The Institute is affiliated to Guru Gobind Singh Indraprastha (GGSIIP) University, Delhi for Master of Computer Application (MCA), Master of Business Management (MBA), Bachelor of Business Administration (BBA) and Bachelor of Computer Application (BCA) programmes and is also approved by All India Council for Technical Education (AICTE) and National Assessment and Accreditation Council (NAAC). It has signed Memorandum of Understanding with **South West University China, NASSCOM, HCL - TSS**.

The Institute of Innovation in Technology and Management was established in the year 2009. It runs undergraduate programs affiliated to Guru Gobind Singh Indraprastha University New Delhi in BBA, B.Com (H) and BCA.

The Group aims to be a Centre of Excellence promoting value based Quality Education in the emerging areas of advanced professional studies in Information Technology & Management. The institutes are passionate about grooming leaders who are not only thorough professionals, but also good human beings with values and “sanskars”.

About Collaborating Society

Centre for Environment Education (CEE)

Centre for Environment Education (CEE) was established in August 1984 as a Centre of Excellence supported by the Ministry of Environment and Forests, Government of India. CEE is a National Institution with its headquarters in Ahmedabad, has a mandate to promote environmental awareness nationwide.

CEE is affiliated to the Nehru Foundation for Development and inherits the rich multi- disciplinary resource base and varied experience of Nehru Foundation for Development.

CEE is committed to ensuring that due recognition is given to the role of Environment Education in the promotion of sustainable development. CEE develops innovative programmes and educational material that builds capacity in the field of education and communication for sustainable development. It undertakes demonstration projects in education, communication and development that endorse attitudes, strategies and technologies that are environmentally sustainable.

About the Seminar

The Seminar will seek to identify and share practical, evidence –based solutions that can support the Sustainable Development Goals (SDGs). It will comprise of discussions on implementing the SDGs, from a developing economy’s perspective for sustainable development. The Seminar will bring together stakeholders from government, academia, the UN, International agencies, Non-Governmental Organization (NGOs), and grassroots organizers to share practical solutions towards the achievement of more sustainable and inclusive societies. The major theme shall emphasize and focus on the sustainability, strategies, policies, practices, approaches and the need to rethink their roles and applicability in different socio-cultural and economic contexts.

The Seminar aims at providing a significant platform for academicians, researchers and practitioners to initiate deliberations on the various fields of business and their increasing role towards attaining sustainable development. Thus it is an attempt to bridge the gap between industry and academia and promote awareness on issues related to sustainable growth.

The Seminar has been planned to achieve the following objectives:

- To promote deliberations for sustainable development business growth.
- To analyze strategies and challenges for achieving sustainable business growth.
- To bridge the gap between industry and academia.

Call for Papers: The Seminar invites Academicians, Researchers, Research Scholars and Corporate Participants to submit original and unpublished quality research papers. Papers can be based on following suggestive themes:
